

Parallel Parking Striping Is Scheduled for the Week of October 11

Davids, Judy <JudyD@romi.gov>

Fri 10/8/2021 5:30 PM

To: Davids, Judy <JudyD@romi.gov>

Cc: Schwanger, Carol <CarolS@romi.gov>; Spencer, Keith <KeithS@romi.gov>

For your information:

As part of the new Sentry smart parking meter project, the City of Royal Oak will have JV Contracting begin work on striping of all the parallel spots in the Central Business District associated with the new parking meters.

The new parallel parking striping will better define on-street spaces and the associated smart meters.

Weather permitting this project will begin on this Tuesday, October 12, 2021 during the overnight hours.

If you have any questions, please call 248-763-3036.

(Below is an example of parallel parking striping in Birmingham.)

Learn more about this project at romi.gov/parking.

Have a great weekend!
